CONGRATULATIONS ON
YOUR ENGAGEMENT

A “jewel in Glasgow’s crown”, this iconic listed building has become synonymous with stand-out city centre weddings, combined with an award-winning wedding team to deliver the day of your dreams.

We offer a range of unique rooms and spaces across five floors, and cater for everything from exclusive use building take-overs, to beautiful elopements for two.

"Our wedding at The Corinthian Club in Glasgow was nothing short of a fairytale.

Tucked right in the heart of Glasgow, The Corinthian Club is a gem, with restaurants and hotels all around. The atmosphere is simply magical, setting the perfect stage for our dream wedding.

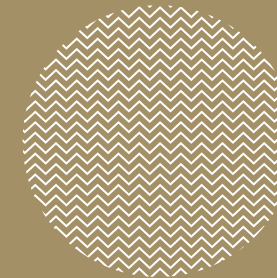

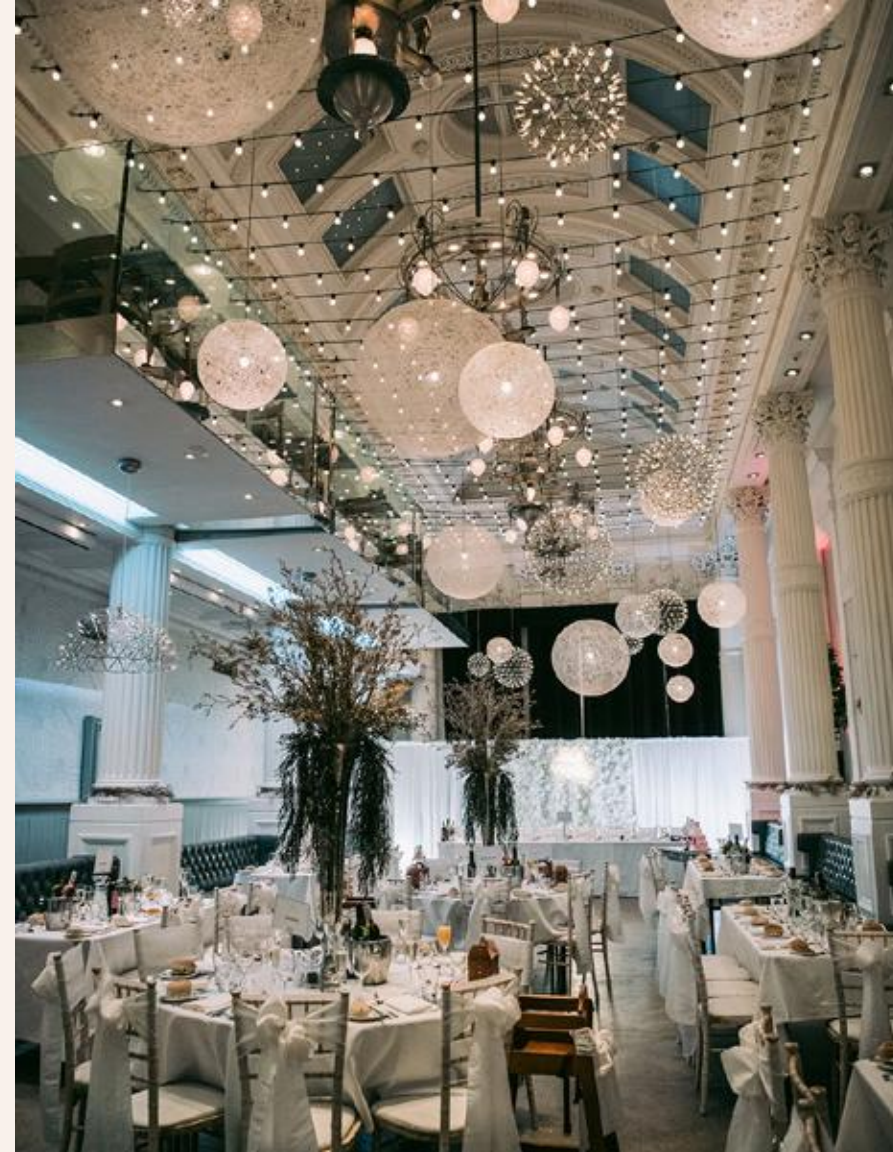

The whole team at The Corinthian went above and beyond to make our day run smoothly. They were incredibly accommodating and paid attention to every detail, ensuring our wedding was flawless. They worked seamlessly with all our other vendors, and we just got to enjoy the day without a worry.

The food was out of this world and had our guests raving. And there was so much of it included in our package – no one left hungry! For us, having great spots for photos was a must, and The Corinthian Club delivered in spades. Our wedding album is filled with stunning shots inside and out, capturing the essence of our day.

We’re so grateful for this incredible team, and we can’t recommend them enough to anyone looking for a wedding that’s more perfect than they could ever imagine!"

"The Wedding Team went above and beyond and ensured every detail had been discussed with us. It took a lot of pressure off the planning process knowing we were in safe hands.

On the day the team was fantastic, the venue was decorated exactly as we wanted and the team helped make our vision for the venue come true. Everything was timed perfectly and very well executed.

So many of our guests said how gorgeous the venue looked and how fantastic the day was and honestly we would agree. It was absolutely perfect and a dream come true!

Thank you to everyone who helped make our day so special and for the best coordinator we could have asked for."
